

YEROVY ESPITIA

FRONT-END
DEVELOPER

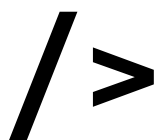

ABOUT ME

I'm Yerovy Espitia, I'm 21 and I live in Colombia, Barranquilla.

Portfolio: <https://luyeesg.github.io>

In my portfolio you can find the technologies that I usually use like: HTML, CSS, Responsive Design, Flex Box, CSS-Grid, Javascript ES6+ and React.js. I'm also open to learn any other technology.

I genuinely like to learn new things and find solution for problems.
